Corded & Uncorded Wood Poles

Floral touches are essential in successfully delivering this chic Modern Country trend and our floral ball finial and matching holdbacks are the perfect addition to achieve this.

Combining the beauty of a wood pole with the smooth functionality of a track, any 45mm or 55mm Modern Country pole can be corded to give an added level of convenience and control.

Your corded and uncorded Modern Country pole will be carefully hand made by inserting a metal track into the underside of the pole. Your curtains can then be hooked onto the gliders in the track, removing the need for rings. This gives a stunning finished look with the curtain heading running much tighter to the pole.

To order Modern Country Corded or Uncorded Wood Poles use item no. **MODCOUNTRY/MTM**

The Maximum length for 45mm poles is 480cm and for 55mm poles it is 600cm. Choose from Metal, Wood Clasp or Wood Architrave brackets. Architrave Brackets are not suitable for poles which require 3 brackets. We recommend that any pole at 210cm and over is supplied with 3 brackets. All 45mm poles over 240cm and 55mm poles over 300cm must be supplied with 3 brackets, as they are supplied in 2 pieces.
