SECRET GARDEN

Secret Garden has emerged as a vintage-inspired take on the classic portraits of nature. This beautiful and wonderfully modern collection has expanded on the concept of the garden of Eden to bring an eclectic array of designs that depict the ultimate garden in wondrous colour.

Secret Garden highlights famous gardens from across the globe, reflecting their wonder in our design names. Playing with the beauty of nature and a modern sense of design expression, this collection brings extraordinary garden-inspired designs to life through drawing and illustration.
