TOULIN

Printed Linara

A celebration of Linara and all there is to love about this exquisite fabric, Toulin is a sophisticated and confident offering of design that embodies the unmistakable Romo handwriting printed on the Linara Linen Union. A medley of refined prints, statement stripes and chic geometrics sit alongside painterly botanicals, each with a peach-skin softness created by the iconic Linara brushed finish.

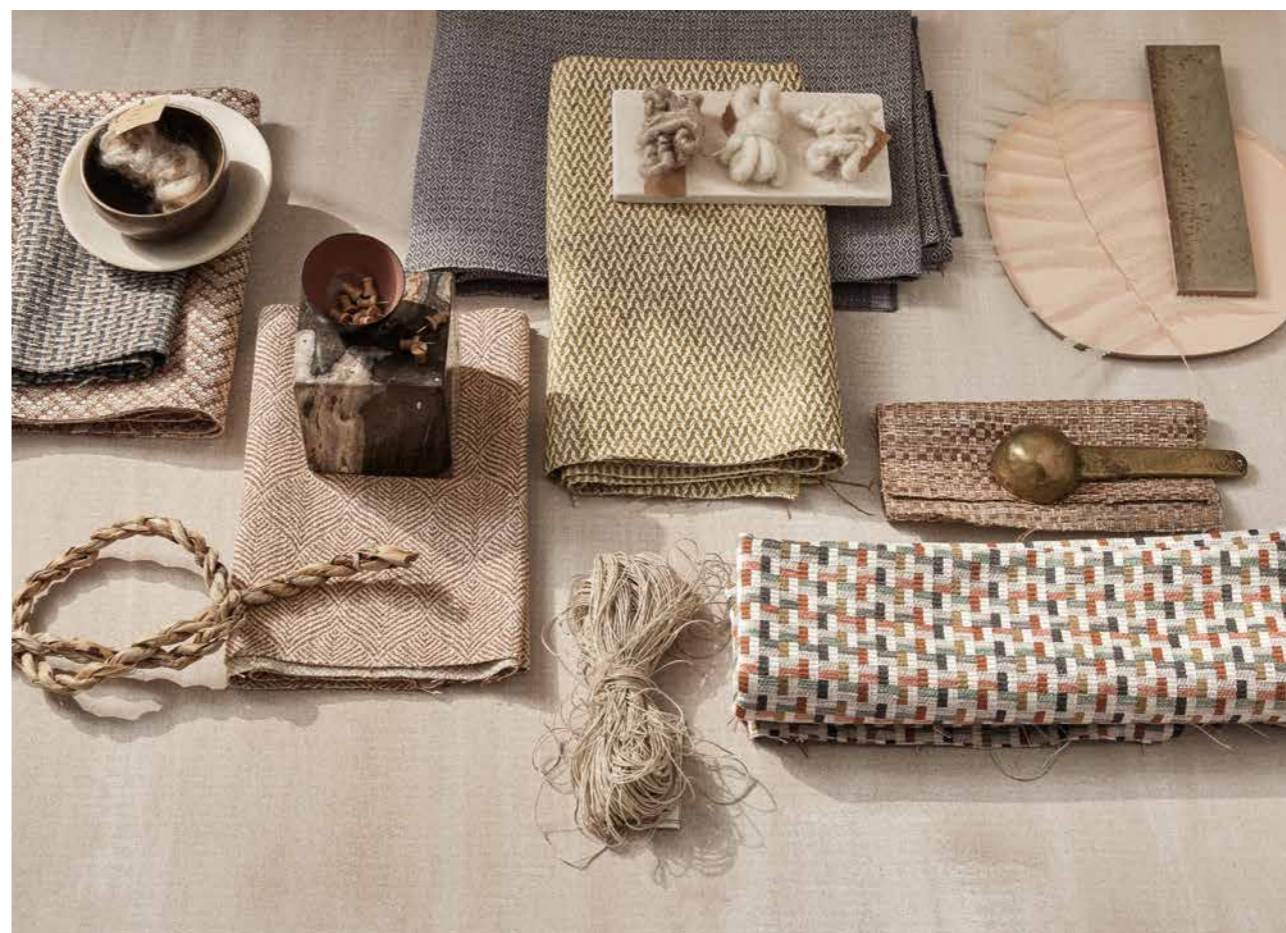

ARTURO

Decorative Weaves

Arturo is a collection that comprises seven refined decorative weaves with usability and modern charm at its core. Accommodating every need of a furnishing fabric, each design combines aesthetic appeal with tempting texture and eye-catching colour that culminate in infinite versatility.

KYRI

Linen Blend

Not just any plain, Kyri is a charming new take on a bouclé that exemplifies a refined finesse. A considered mix of intricate yarns intertwine in a joyous dance of tonal colour, including a characterful yet fine bouclé that peppers the surface.

ZOLANI

Textured Weaves

Living between plain and pattern, this luxurious collection tells a story of texture, with five highly tactile, chunky weaves that take a holistic approach to design and desirability. A compendium of fabrics that will transform furniture into inviting, sensorial pieces that encourage more than just a moment of repose.

ELIO FR

Recycled Washable Plain

More than meets the eye; you'd be forgiven for mistaking this seemingly unassuming plain for a charming linen, yet Elio FR is woven from 100% PET recycled plastic bottles. This linen effect fabric is both mindful and usable without compromising on its remarkable softness and beautiful handle.
