BY BYRON AND BYRON

A stunning collection of rustic wooden poles, in a palette of oak finishes. Inspired by English country cottages.

The traditional detailing of the poles emphasises the warm and elegant tones of the finishes, accentuating the natural grooves of the wood.

English oak is crafted from a solid oak timber with Limed Oak, Burnt Oak, Toasted Oak and Smoked Oak created using ash timber with a contemporary oak finish.

### **Tracking and Cording**

We can supply any of our 45mm /55mm poles tracked and corded. Please see the cording template in the price-list. Select your choice of pulley direction and send to the sales office along with your order or quotation request

### **Bay-poles 'Metamorph'**

Our Bay poles are carefully engineered to follow the unique form of your bay window. Available in 45mm/55mm diameters, with rings only.

### **Nylon Strip**

A nylon strip is an additional service that is fitted to the top of the pole to help your rings to glide smoothly when pulled. We recommend a nylon strip especially if your curtains are heavy or lined and interlined or if the client would prefer a quieter closure of the curtains.

### **Decoupage**

We can cover our poles with the client's own fabric or wall paper. Please contact sales for information and we will advise.
